Sunday evening, November 7th at 7:00 at All Saints. Call time is 6:00.

There is a rehearsal with the strings on Saturday the 6th at 10:00 if you can make it.

All Saints & Mission restrictions:

We are under the rules of both the local Episcopal and Roman Catholic Church requiring that all singers **must be Covid vaccinated**.

This applies to all rehearsals AND concerts. There is no wiggle room here. Vaccination is absolutely required, but wearing masks... at this time.... is up to you. I hate to leave anyone out, I really do...but we still must be careful and respectful of our audience.

If Covid takes a turn again, we will ask the Mission congregation to wear masks. The steps where we sing are a good twelve feet away from the front pews and we discussed leaving the first few empty as well if need be

REGULAR, weekly rehearsals begin on Monday, AUGUST 23rd. All Saints Episcopal Church, 651 Eucalyptus Ave, Vista

Snacks: Please bring your own water, or whatever !!! DO bring some snacks if you want that can be safe and everyone does not touch. Spread out on plates, use toothpicks, or individually wrapped.

Spaced out chairs: For safety sake, even though we are required to be vaxxed, I plan to set up the chairs a couple of feet apart, there is tons of room. We'll open all the doors and turn on the exhaust fan. You are free to move your chair anywhere you feel safe.

I also have a bottle of **Purell on hand**....get it...on hand!!!
